Of 120 , 80 plan to leave the area after school, 23 plan to stay with 5 hoping to leave in the future,the rest (17) don't know yet.

Destinations - 77 plan to study at Uni or college, 23 plan to work (including 6 apprenticeships, and 4 to RAF, Navy or Army), 2 want to travel, 1 gap year, 17 don't know

Will you come back? - 20 plan to return to Nairn after studies/training, 50 plan not to return , 28 may return later and 2 said they may retire here

big pull factors for those who want to stay- family,community, nice place to live,beach etc, don't like cities

offputting factors - for those who want to leave - not a town for young people, not enough to do, lack of job opportunities and sports/social activities, and quite a few said - nothing wrong with Nairn - I just want to see other places.
